**CORRECTION OF USPTO ERROR IN NOTICE OF ALLOWABILITY IN
U.S. PATENT APPLICATION NO. 10/723,777**

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

A review of the Notice of Allowability issued June 1, 2009 in this application has revealed the presence of an inadvertent USPTO error therein. As correctly noted in the DETAILED ACTION accompanying the Notice of Allowability, claims 54-55, 59-60 and 63-65 were pending in the application, and in a telephonic interview with the examiner on May 21, 2009, claims 63 and 64 were authorized by the undersigned attorney to be cancelled, and claims 59, 60 and 65 were authorized by the undersigned attorney to be amended.

However, the DETAILED ACTION then states in line 1 on page 3 thereof that claims 54, 55, 59, 60 and 64 are allowed.

This is incorrect, since claim 64 was cancelled. The same error appears in the Notice of Allowability issued by the USPTO.

The DETAILED ACTION and the Notice of Allowability should have stated that claims 54, 55, 59, 60 and 65 were allowed.

It therefore is requested that a corrected Notice of Allowability be issued, correctly identifying the allowed claims as claims 54, 55, 59, 60 and 65, and that the records of the USPTO for this application be correspondingly rectified to address such USPTO error.

Respectfully submitted,

/steven j. hultquist/
